George Floyd, a 46 years old Afro American citizen was killed by a police officer on May 25, 2020 in Minneapolis, Minesota. The employees called the police, which arrived shortly after.

The protest caught Kanye`s attention. Kayne West, who joined the protests in Chicago decided to do more than that. He set up a fund to pay the costs for the university of George Floyd`s daughter Gianna, who is six years old now. West donated about 2 Million Dollars.

Kanye West is a father himself and that`s why it is so important for him to help Gianna, who lost her father in a cruel and senseless way.
